LA SALLE UNIVERSITY  
Office of the President

MICHAEL J. MCGINNISS, F.S.C., Ph.D.  
President

March 12, 2009

Dear La Salle Students and Parents:

As you are well aware, the current economic situation in this country and around the world has presented all of us—individuals, families, institutions—with significant challenges. Over the past year, as the economic crisis has worsened, we at La Salle have been monitoring the situation closely and making the necessary adjustments.

In our deliberations about budgeting and spending, we weigh what is necessary for us to continue to provide the high-quality education for which we are known while containing costs in consideration of the economic realities for our students and their families. It is in this context that I am sharing with you the University's tuition and fee schedule for the 2009-2010 academic year.

The tuition increase for the next academic year is our lowest percentage annual increase since 1995. We have been able to arrive at this decision because of prudent judgments about hiring and promotion, a freeze on capital renovation projects and capital equipment purchases, strategies to cut the cost of utilities, and the prioritization of discretionary spending. In short, we are doing everything possible to make a La Salle education affordable in tight financial times.

What I can assure you is that a La Salle education continues to be well worth the investment. We at La Salle are inspired by St. John Baptist de La Salle, the patron saint of teachers, and are shaped by Lasallian and Catholic values. La Salle's reputation is built on excellence in teaching and learning, personal attention, a strong sense of community, and a global perspective. Our talented and committed faculty and staff provide the environment for both a valuable education and an education with values.

We are looking forward to the next phase of our campus expansion and development this summer. Despite the economy, our Holroyd Hall construction—featuring the Hugh and Nancy Devlin Center for Science and Technology—is scheduled to be ready for fall classes. Also, the Shoppes at La Salle, the shopping center on campus, will be fully completed and open, further enhancing the quality of life for the campus and community.

Guided by our new Strategic Plan, *The Will to Excel*, I am confident that the future is bright for this University and for our students. The La Salle of the future will be characterized by tangible and vibrant signs of the Lasallian mission in action. It will be a place where students and faculty share in a process of exploration in the context of a real community, one that links theory and practice and focuses on a commitment to others. It will be fiscally responsible and optimize all of its resources. It will be international in perspective, yet remain a truly Philadelphia institution and a good neighbor. The La Salle of the future will take the best of its past and present and make it even better.

Thank you for the confidence you have placed in us and for your decision to be part of La Salle's future.

Sincerely,

Michael J. McGinniss, F.S.C.

## Academic News

Date: March 20, 2009

To: To All Eligible Faculty

From: Bro. John McGoldrick  
Assistant Provost

Subject: **Lindback Distinguished Teaching Award Nominations**

Since 1961, a generous award from the Christian R. and Mary F. Lindback Foundation has enabled La Salle to recognize excellence in teaching by members of its full-time faculty. The award is presented to a faculty member whose teaching is characterized by superior knowledge of the subject matter, vitality and inspiration in its presentation in class, and devotion to helping students realize their potential.

Nominations for the award are invited from members of the full-time faculty and students in all divisions and programs of the University. The final selection from those nominations is made by a committee composed of the Provost; the Deans of Arts and Sciences, Business, and Nursing and Health Sciences; the President of the Faculty Senate; and the Vice President for Academic Affairs of the Students' Government Association.

The award is presented at the annual Commencement Ceremonies in May.

This announcement has been e-mailed recently to all faculty members, along with a list of eligible faculty members and a nominating ballot. This ballot can be completed, printed, signed, and then sent to **Dr. Mary Jeanne Welsh (Campus Box 332)**. Two other options are available:

A printed version of the ballot and eligibility list are available in the Provost's Office (Administration 315), the Office of Professional and Continuing Studies (Administration 400), the Office of the Dean of the School of Business (College Hall 211) the Office of the Dean of the School of Nursing and Health Sciences (Benilde 4400), and at the Bucks County Center.

Faculty can also submit a nomination on line at [http:// www.lasalle.edu/provost/lindback](http://www.lasalle.edu/provost/lindback).

The deadline for nominations this year is **Monday, March 30, 2009**.

#### Reconsideration of Proposal on Tenure and Promotion Eligibility of External Hires

The Senate discussed the proposal on tenure and promotion eligibility of external hires. The Executive Committee was charged with bringing the proposal to the Provost, and asking for it, as well as the 2004 policy on identifying tenure eligibility for specific academic leadership positions, to be placed in the University Handbook.

The Senate asked for clarification on the need for hiring externally, the process by which these decisions are made, and how promotion is determined for new hires. The Senate also asked that the description of the role of the department chair in this process be reviewed. What role does the department play in the decision to hire an external chair? Whose decision is it?

Any additional questions that Senators would like addressed should be forwarded to President Welsh.

The proposal was approved by a vote of 16-0-2.

#### Other

Handicapped parking was brought up, particularly the status of parking in front of Olney Hall in the fall of 2009, when the new science building opens. This was referred to Professor J. Frizzell.
